

CONTRACT OF HOLIDAY CENTRE

For this contract, we are committed to house and feed your pet in the best conditions. In case the animal would not seem to be healthy or manifest behavioral problems, we should call the vet immediately. The costs then would in all cases be your responsibility. The "CHARATON" is under Veterinary Control, but it will be primarily uses YOUR VETERINARY contractor in case of health problem.

However, if the presence of skin parasites (fleas, lice, ...) was found, treatment would be applied on site, automatically, at the owner's expense.

The housing areas are individual. They all, bowls, scrapers, a tray litter individual. Heating in winter, ventilation in summer and permanent background music. These spaces are cleaned and disinfected daily, and all materials of "Vacation Center."

The rhythm of day and night is respected. The Centre is directly observed or permanent video. Pets MUST be in possession of a vaccination updated and proving that they are protected against panleukopenia (typhus), rhinotracheitis, feline leukemia (FeLV).

Reservations: The reservation will be effective only after payment of a deposit of 40 Euros minimum (non-refundable). Upon confirmation, all days Reserved will be recorded, even if the stay is shortened for any reason whatsoever.

Arrivals and departures will be made only by appointment .. The entry and exit days are counted. Exceeded more than 15 days of the scheduled departure date, without justification, give us the right to sue the owner for abandoning animal, place it in a refuge and to demand full payment of the pension, supplemented with Any investment expenses.

We wish you a pleasant stay in peace.
